## *The Poverty of Caring..... The Challenge of Today*

A little about Hope House and Fr. Frank...Fr. Frank is the Founder and CEO of Hope House Ministries, begun 38 years ago to serve adolescents, individuals and families in crisis with counseling, housing and more. They also offer wellness seminars to educate students, teachers and parents in understanding peer pressure, drug and alcohol abuse and teenage suicide. The heart and soul of their ministry is a comprehensive outreach to a growing number of young people who are suffering from addiction.

Please join us for coffee, tea and dessert in the Hospitality Room after Fr. Francis' talk.

*"Lord, teach us to step outside ourselves.  
Teach us to go out into the streets  
and manifest your love."*
