

Confirmation Program Grade 7 Service Night

“You shall love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbor as yourself.”

Luke 10:27

Kim Gambino from the Helping Hand Rescue Mission spoke to the grade seven students about community service and serving God on February 15.

As you can see, many items were donated to the Mission. Many thanks to the grade seven students and their parents for their generosity.

Thanks also to Kim for her joyful and inspiring talk, and to Liz Teixeira, for coordinating the project.
