

Midnight Run

Midnight Run is a volunteer organization dedicated to finding common ground between the housed and the homeless.

In over 1,000 relief missions per year, Midnight Run volunteers from churches, synagogues, schools and other civic groups distribute food, clothing, blankets and personal care items to the homeless poor on the streets of New York City. The late-night relief efforts create a forum for trust, sharing, understanding and affection. That human exchange, rather than the exchange of goods, is the essence of the Midnight Run mission.
