

Capital Campaign Update !

Thank you to the Parish Family of St. Elizabeth!

Because of your generosity, we have surpassed our \$2M goal! Just a few short months ago, we gathered to create a plan to upgrade and maintain the integrity of our parish plant, renovate and enhance our worship space and fortify our savings for a stronger future! Our primary focus—our vision—is one of worship, education and outreach to the community in the name of Jesus Christ. In order to fulfill this mission, it is necessary to have facilities and a physical plant that is safe, efficient and welcoming. In addition, enhancing the worship space provided the perfect opportunity for catechesis and a deeper sense of the importance and centrality of the Eucharist, the Sacraments and our participation in the Mass!

Thank you for your faithfulness and your generosity !
