

RESPECT LIFE

the measure of love is to love without measure

FATHER'S DAY BASSINETTE COLLECTION JUNE 15 - 16

Your donation of layette items, clothing (0 to 24 months), diapers, wipes, etc., or a monetary donation on Father's Day weekend June 15/16, will enable the Life Center to continue helping women in crisis and their unborn babies.

Now, more than ever, these women need to hear that there is help available to them that will enable them to choose life for their babies. Your financial contributions and layette items enable the Life Center to provide the necessities and resources these women need. We continue to appreciate your generosity, as well as your prayers for those who volunteer at the Life Center. This year the donations for the Bassinettes for the Life Center campaign are crucial for the continuation of this vital crisis pregnancy center.

Due to financial constraints, the Life Center has been forced to reduce staff at the Deer Park office and close the Riverhead office.

Thank you for your continued generosity.
