and protects every human life.

Baby Bottle Campaign

The Baby Bottle Campaign to Benefit the Life Center of Long Island continues...

Remember to bring in those baby bottles (filled or not) the weekend of October 23/24. The Life Center is a pregnancy help center that counsels women and men who are experiencing an unexpected pregnancy. They provide free pregnancy test kits, free sonogram referrals, maternity housing with eligibility requirements, medical care referrals and material aid including car seats, cribs, clothes, diapers and many other needed baby items.

Remember - all it takes is your change* in a baby bottle and a heartfelt prayer to make a big, positive difference for all those they serve. (*Checks payable to the Life Center.)

May every drop of a coin remind you to pray with your whole heart for the lives of all preborn children!

Great News! Smithtown....Here We Come!

Gloria Schreiber, Chief Executive Officer at the Life Center of Long Island, is honored and humbled to announce the opening in the very near future, of a 4th Women First Pregnancy Options (Life Center) diagonally and approximately 500 feet from the large Suffolk County Surgical Planned Parenthood on Maple Avenue in Smithtown. The Life Center buildings are located as close as possible to abortion facilities. In that way, abortion-minded women unsure of their decision, after observing prayer vigils outside the abortion clinics and talking to sidewalk counselors, may be guided to the Center for further information and the availability of a sonogram. Your Baby Bottle donations are the primary source of income for the Life Center. You have made this miracle possible. We are so grateful for your support.
