

60TH ANNIVERSARY PRAYER

1962 - 2022

Father, we seek your help during our 60th anniversary.

Send forth your Spirit to make this a time of favor when our parish grows more forgiving and reconciling and alive with faith, hope and charity.

Through the intercession of our parish patroness, St. Elizabeth of Hungary--wife, mother, religious and widow--may we follow her example of faithfulness, compassion, humility, charity, and prayerfulness and make us a living sacrament to all.

We ask this in the name of Jesus, your Son. Amen

(We will begin praying the 60th Anniversary Prayer the weekend of April 24 - a copy can be found in the back of the Hymnal.)
