

SAINT ELIZABETH KNIGHTS OF COLUMBUS COUNCIL 5753

invites you to

Sometimes defined is an organization associated together for various religious or secular aims that embodies

the state of brotherhood, together with the other tenants of *Charity* and *Unity*, The Knights of Columbus embrace *Fraternity* and Catholic ideals by donating time and money to church and community.

The Saint Elizabeth Council of the Knights of Columbus offers parish men what they want and need; a commonality of purpose, a feeling of belonging to a brotherhood, a force for accomplishing the things which matter most and the opportunity to make things better.

The strength of the Knights is our parish councils, working throughout the year to provide the assistance and resources where they do the most good, right here in our community. Providing coats for children in need, giving wheelchairs to the elderly and bringing smiles to the faces of our parish children around our Christmas tree are just a few of the many examples of our Fraternal Knights

Do you remember the feeling of belonging to something which you thought was special? A group of friends from high school, a project at work which just seemed to click, an accomplishment that was achieved by a team with a united vision. That's what it feels like to belong to the **Knights of Columbus**. Come, join us.

THE WORLD NEEDS MORE KNIGHTS!

Free Council Membership through 12/31/2023
