### A PRAYERFUL PRESENCE

40 DAYS FOR LIFE™

### Fall Campaign

Prayer vigils at abortion clinics are extremely effective in saving moms and their babies. According to the abortion industry's own internal data, as many as three out of every four moms decide not to keep their appointments when there are people praying outside Planned Parenthood facilities. As a result, Planned Parenthood has been trying to get legislation passed that would prohibit pregnant women from seeing ultrasounds of their babies.

The Fall Campaign of 40 days for Life starts on September 27 and ends November 5. Your prayerful presence is needed to save moms from making a tragic mistake they can never reverse. Vigils are held at Planned Parenthood locations in Hempstead and Smithtown.

A kick-off Mass will be celebrated by Fr. Peter Pilsner at St. Ladislaus Catholic Church, 18 Richardson Pl., Hempstead, on Saturday, September 23 at 10 am. All are invited. Following Mass, there will be a prayerful procession to the Hempstead Planned Parenthood at 540 Fulton Avenue in Hempstead to be a Witness for Life and to pray the Rosary. Vigils take place 6 days a week from 8 am to 5 pm. You can sign-up for an hour or more a week at the Hempstead location by going to:
