## SOUL OF A CHAMPION

### The Gil Hodges Story

We are excited to invite you and your family to our upcoming Knights of Columbus Open Knight Social. This event will feature a special screening of the 29 minute film, *Soul of a Champion*, produced by Catholic Athletes for Christ. The film tells the story of baseball legend Gil Hodges and offers parents a great example of sportsmanship, character, and contributions to others. In a time where strong Catholic role models are hard to find, this film helps parents teach their children the virtues of character and valor that are often lost among many of today's celebrities.

Join us for Pizza and Popcorn after. This is a great opportunity to bring your son or daughter and connect with other members of our community.

## PARISHIONERS LEARN TO COPE WITH SAFETY

On October 16, Suffolk County Police Officer Ilyssa Doughty of the Community Oriented Police Enforcement Unit (COPE) visited us and provided valuable tips on how to keep yourself, your family, and your home safe from scams.

Her presentation covered a variety of topics, including how to avoid text message scams, suspicious calls from individuals posing as government agency personnel, and unusual payment requests such as using debit cards and gift cards. The program was sponsored by our Knights of Columbus Council and attracted 60 parishioners.

COPE units are responsible for addressing various issues of concern to the community, such as traffic complaints and quality of life issues. They regularly meet with community groups and provide public safety-oriented presentations. We are grateful to Police Officer Doughty for sharing her expertise and helping us stay safe from scams.
